Attendance and Punctuality Policy

As a Christian school our vision is to promote 'Life in All its Fullness.' Our ethos is based on our 12 Christian values of hope, honesty, patience, joy, forgiveness, tolerance, thankfulness, respect, kindness, friendship, gentleness and love. It is within the vision and the ethos that this policy is written and will be implemented.

Dated Issues: June 2017

Review Date: June 2020

Signed: (Chair of Pupil Support Committee)

Rationale

‘Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school’.

School Attendance: Statutory guidance and departmental advice, DFE Aug 2013

We aim to ensure that all children attend school regularly and on time to enable them to take full advantage of the educational opportunities available.

Poor attendance disadvantages a child's learning and can affect their ability to sustain friendships.

Regular, punctual attendance is valued and positively encouraged for all of our pupils.

Children whose attendance is good will be rewarded regularly.

Improved attendance and time keeping will be recognised.

Holly Hill expects the highest attendance and punctuality from all pupils, at all times.

We support pupils and their families to ensure that excellent attendance is achieved.

- Birmingham Education Authorities target for attendance is 96%.
- At Holly Hill we are continuously working towards our goal of 100% attendance for all pupils.

Overall Aims:

- To ensure that statutory obligations are fulfilled. Children must get an education between the school term after their 5th birthday and the last Friday in June in the school year they turn 16.
- To ensure that every child is safeguarded and their right to education is protected.
- To raise standards and ensure every child reaches their full educational potential, through good attendance and punctuality.
- To ensure the school attendance target is achieved.
- To make attendance a priority for all those associated with the school including parents/carers, pupils, teachers and governors by ensuring all stakeholders receive regular communication, about the importance of good attendance and punctuality.
- To keep accurate, up-to-date records and have a robust and rigorous system for analysing attendance.
- To identify causes of low attendance/punctuality with individuals, classes and groups of pupils and address them.
- To work with external agencies, in order to address barriers to attendance and overcome them.

Rights and responsibilities for attendance/punctuality

The Legal Framework

There are legal obligations on:

- The parents/carers to secure education for their children, whether at school or otherwise, to send them to school regularly once they are on the school's register
- The school to register attendance and notify the Local Authority of a child missing from school for 5 consecutive days
- The Local Authority to provide education and to enforce attendance

Who is responsible for attendance issues in school?

- Parents / carers are responsible for ensuring that their child attends school regularly and on time
- Mrs Gallagher is the named senior member of staff with responsibility for attendance issues, who works closely with the designated safeguarding lead where there are attendance concerns
- Members of school staff, both teaching and non-teaching, have responsibility for attendance issues in school
- Attendance matters are reviewed by the Head Teacher and members of the Pupil Support Committee.
- Attendance issues are reported termly to the Full Governing body.

Monitoring and Recording Attendance & Punctuality

Class Registers

Class registers are recorded using SIMS. The system ensures that no children are missed and that pupil information can be shared quickly and securely. Registers are the only way of recording pupil attendance and must be completed accurately. This is the responsibility of whichever member of staff has been directed to take the register for that session.

Registers can be re-submitted in the case of a mistake or a pupil arriving after submission, but registers must be accurate and submitted at key times (see below).

Morning Register

Class registers remain open until 9:10am. At that point, the teacher must submit their final register and close down SIMS. The teacher may submit the register as many times as they wish before 9.10 am (e.g. if a mistake has been made or a child has arrived slightly late) but at 9.10 am the register must be correct and submitted.

From 9.00 am the school doors are closed. The office staff meet and register children arriving late. The children's names and classes are recorded in the 'Children Arriving Late' folder. This is to ensure that no children are missed on the register when arriving late to school.

Children arriving after 9:00am are recorded as 'L' (late after register closed) in the register. The Office Manager / Bursar then checks that the children who have arrived late have been marked 'L' (present) in the registers and corrects any mistakes or inputs codes for children who are known to be absent. She then begins first day absence calls. (see below)

Afternoon Register

Registers must be submitted by teaching staff straight after lunch before afternoon lessons commence. They should be submitted by 1:10pm

Monitoring First Day Absence

If a child is absent from school and the school has not received a phone call or other message from the parent/carer, a first day absence call will be made.

The Office Manager / Bursar follows this system:

- Phone parents' contact number(s).
- If the parent / carer cannot be contacted using their contact number then they will phone the other emergency contact number(s) to get an up-to-date contact number for the parent/carer and update the school system accordingly.
- When contacted, the parent/carer will be asked to provide a reason for their child's absence. The absence reason is written as a 'comment' on SIMS and the register code will be updated.
- The Office Manager / Bursar must establish a reason for every absence. No absence should be left on the system as an 'N' (no reason given) code.
- The 'Comment Report' will be printed and given to the Head Teacher / Deputy Head Teacher.
- The Head Teacher / Deputy Head Teacher will check the 'comment report'. If any parent has not been able to be contacted then the Head Teacher / Deputy Head Teacher will

consider options in order to establish that the child is safe and well. This may include a Home Visit.

Child Protection and safeguarding concerns must be acted on immediately, in line with the school Child Protection and Safeguarding Policy.

Strategies for promoting/rewarding excellent attendance

Weekly Celebration Assemblies

Celebration Assemblies are held every week on Friday. Classes with the highest attendance/punctuality receive attendance/punctuality Cool Cat Kitty and a sticker for their class balloon on the Attendance Award Board.

Year Group Newsletters

Each half term, the year group newsletter is used to highlight the importance of good attendance and punctuality. It regularly includes sections reminding parents of our school attendance target and what that means in terms of number of days absent. It also includes information about any initiatives, which the school is using, to promote attendance and punctuality.

School Attendance Award Board

The board includes information about the classes with the highest attendance and punctuality.

Breakfast Club

The charge for our Daily Breakfast Club is subsidised by the school every day. This supports parents by allowing them to drop their children off from 8.30 am, ensuring they are on time for school. Pupil Premium funding is also used for identified children to help improve attendance and punctuality.

The School Learning Environment

A welcoming, organised learning environment that supports and celebrates its learners is a key factor in ensuring children enjoy school and attend regularly. All staff ensure that their learning environments are of a high quality. Regular, rigorous environmental audits are carried out by the SLT, to ensure this.

Staff Promoting Good Attendance

It is important that teachers regularly promote good attendance with their classes.

End of Term Attendance Rewards

At the end of each term there is a special reward for children who have achieved 100% attendance. The HT, Learning Mentor and Pupil Support Committee organise and lead on the end of term attendance incentives.

Attendance Certificate

Children with 97%+ attendance, receive a special attendance certificate, signed by the Head Teacher to take home and keep. Certificates are presented each term, to reward those who achieve excellent attendance.

Sharing attendance data

Pupils are informed on a weekly basis of the class with the best attendance / punctuality.

This develops healthy competition between year groups to improve attendance. It also engages the class teacher in conversation with their classes about attendance.

Parent/teacher consultation evenings

This provides an opportunity for class teachers to praise and recognise excellent attendance or share attendance concerns and discuss barriers to good attendance. Where necessary a target for improving attendance is set. The class teacher then monitors this. If there is no improvement in attendance/punctuality, the pupil is referred to the Learning Mentor.

School Attendance Letters

The school sends out letters, to communicate with parents about attendance and punctuality. (Copies of all standard letter formats are included at the end of this document.)

Punctuality Folder

The Learning Mentor and the DHT monitor the Lateness Report weekly. If a child has been late on 3 occasions, they are required to attend a meeting with the Learning Mentor. If there are 3 further occasions of lateness they are required to attend a meeting with the Deputy Headteacher. If lateness persists three further times, a meeting with the headteacher will be required.

All options of support will be offered.

Attendance Meetings

The HT monitors individuals, classes, year groups, different ethnic groups, SEN and FSM pupils. She identifies patterns and trends in absence/punctuality, including persistent absence. (This information is evaluated by the Pupil Support Committee.) The systems and structures are then followed, to improve attendance for these individuals or groups.

Letters are sent out to parents whose children's attendance is below 96% and parents who are concerned about their child's attendance, are invited to work in partnership with the school.

We will arrange to meet with you to discuss ways to improve attendance if your child has:

- 3 or more 'odd days' absence in any one half term and/or
- 3 or more episodes of illness in any one term and/or
- patterns of absences on the same days each week (e.g. Mondays or Fridays) and/or
- arrived after 9.30 a.m. more than once and/or
- attendance below 96%

Spotlight

- This is a formal legal system, which involves fining parents for their child's poor attendance; over a specified period of time.
- The action is taken with identified pupils.

- Families are formally written to by the school, outlining the Spotlight process. Formal meetings are held after a specified period of time, for pupils with continued poor attendance.
- Targets are set and attendance is monitored for a further specified period of time. Courts can issue fines to families, whose pupils fail to improve their attendance.

Extended Holidays

In line with Birmingham Local Authority, 'Leave in term Time Guidance' and the 2013 Amendment to the Education (Pupil Registration) (England) Regulations, **leave for pupils during term time is not authorised under any circumstances.** The school recognises that taking children out of school may constitute a safeguarding risk and will make necessary enquiries, in order to be satisfied that the child is not at risk. The school may contact outside agencies in order to ensure that children are safe.

Head teachers may now only grant leave in term time where the circumstances are exceptional, for example:

- Death of parent/carer or sibling of the pupil
- Life threatening or critical illness of parent or sibling of the pupil
- Parent/carer recuperation and convalescence from critical illness or surgery (leave request to be made within 6 months of recovery and medical evidence required)
- Religious observance

Family emergencies need careful consideration. It is not always in the best interest of the child, nor appropriate for them to miss school for family emergencies that are being dealt with by adult family members. Being at school, friendships and support from staff can provide children with stability and care during difficult times. The routine of school can provide a safe and familiar background during times of uncertainty.

If you have exceptional circumstances, which have lead you to request leave in term time for your child/ren, please complete the required form, which you can obtain from the school office. The Head Teacher will then make a decision, on whether or not the leave can be lawfully authorised and will do so only if there is a genuine, exceptional and urgent reason for a child to be absent during term time.

Penalty Notices

If a child is taken out of school without the Head Teacher's authorisation, it will be recorded as unauthorised absence. This may lead to the issuing of a penalty notice and legal action being taken.

Section 23(1) Anti-Social Behaviour Act 2007:

Penalty notices may be issued to the parent of pupils who have unauthorised absence from school. The amount of the penalty is £60.

- If this is not paid within 21 days the amount rises to £120.
- If not paid within 28 days the Local Authority will prosecute under section 444(1) unless it comes to our attention that the penalty notice had been issued in error.

Section 444(1) Education Act 1996:

"If you are the parent of a child of compulsory school age who fails to attend school regularly, you are guilty of an offence."

June 2017

The court can fine **each parent** up to £1,000 per child, order payment of the prosecution costs and/or make a Parenting Order.

Please note that penalties and prosecutions are in respect of **each parent** for each child.

A Parent' includes any person who is not a parent of the child but who has parental responsibility for the child (and applies whether or not that person lives with the child) or who has care of him/her.

These prosecutions are criminal proceedings and could result in you having a criminal record.

Re School Attendance

Holly Hill Church School are working in partnership with parents to improve school attendance, and for those families whose children have attendance below 96%, we will be monitoring closely, and if necessary offer support to families in improving their child/ren's school attendance.

At present, your child's attendance is %. I have attached a copy of your child's attendance, which shows a high number of absences due to illness and lates after registration.

In future, I will not be able to authorise medical/illness absence without evidence such as a medical appointment card, letter from professional, doctor's note, medication prescribed by a doctor, copy of prescription, as well as letters concerning hospital appointments or any other relevant evidence.

How does your child compare?

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons

If you are unsure as to whether your child is well enough to come to school or require any advice, please contact Denise Harris via the school office.

Thank you for your co-operation.

Dear

Re: Name of child – DOB
Year Group at Holly Hill Church School

Thank you for your recent leave of absence request form.

On this occasion, I am not able to authorise your child's leave of absence.

Section 444 of the Education Act 1996 states that:
If a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school his parents are guilty of an offence.

Family emergencies need careful consideration. It is not always appropriate or in the best interests of the child to miss school for emergencies, which are being dealt with by family members. Being at school, friendship with peers and support from staff can provide children with stability. The routine of school offers a safe and familiar background during times of uncertainty.

It is essential for your child to be in school regularly to benefit fully from their educational opportunities. Good attendance will ensure that your child can reach their full potential. To achieve this, your child needs to attend school every day.

We are sure you would not wish to jeopardise your child's academic progress by taking them away at this time.

Yours sincerely,

Charlotte Taylor

Improving attendance Important information for Parents

Missing school = missing learning.

Make the most of your child's education—bring her/him to school on time EVERY DAY

Children are expected to attend school for at least 96% of sessions

- ☺ Attendance of **96% or above** is regarded as **good**.
- ☹ Attendance **below 96%** is a cause for concern and **needs improvement**
- ☠ **Children with attendance below 90% are regarded as persistent absentees.** This may lead to a fine being issued.

Working together to improve attendance

We will arrange to meet with you to discuss ways to improve attendance if your child has:

- 3 or more 'odd days' absence in any one half term and/or
- 3 or more episodes of illness in any one term and/or
- absences on the same days each week (e.g. Mondays or Fridays) and/or
- arrived after 9.30 a.m. more than once and/or
- attendance below 96%

Did You Know....?

- 1 day missed reduces your child's school attendance by **0.5%**
- If your child has **95% attendance** that means that they have missed **10 whole days of school. This is 2 weeks.**
- If your child is persistently absent (**below 90%**) they have missed at least **20 whole days of school. This is at least 4 weeks.**
- If your child is persistently absent (**below 85%**) they have missed **6 weeks of school. This is half a term.**

Reasons for absence

- Illnesses such as fever and vomiting and diarrhoea
- Very heavy colds
- Childhood diseases such as chicken pox

Please phone school on your child's first day of illness, giving as much detail as possible.

Please note 'sick' cannot be accepted as a reason and more details along with medical evidence will be required.

Please provide medical evidence of your child's illness such as appointment cards, prescription medicines etc.

Exceptional or special leave

In **emergency, exceptional or special circumstances**, parents or carers must complete a form from the school office to make a request to the Head teacher for short periods of leave. Children are allowed one day's absence for religious observance.

Leave can only be authorised at the Head teacher's discretion.

In making the decision, the Head teacher will consider:

- Your child's current attendance percentage
- Previous applications and absences.

Be on time for school.

Every minute in school counts!

Being late means your child:

Misses important social time with friends before the day begins.

Misses vital information at the beginning of the day, making it harder to learn.

Misses the settled start to the day which helps children to prepare for learning.

School starts at 9.00am

Doors open at 8.55 a.m. to give your child plenty of time to settle into their classroom. If you arrive after 9.00 a.m. your child is marked late.

Arriving at 8.55am means that your child feels happy, relaxed, settled and ready to learn at the start of the day.

If you arrive after 9.30 a.m. your child will have an unauthorised absence mark which reduces their attendance.
